Aussie car calendar – welcome to  
**NORTHERN NATS 9**,  
where tyre smoke, rev limiters, and  
high-horsepower mayhem take over  
Springmount Raceway for three  
massive days:  
**FRIDAY 16<sup>TH</sup> to SUNDAY 18<sup>TH</sup> MAY!****

This Spectator Guide is your go-to for all the info you need to plan your trip, catch the action, and make the most of the chaos. From when to rock up and where to park, to what's on – we've got you covered.

Whether you're a burnout tragic, a drag racing diehard, or just here for the party vibes, there's something for every horsepower junkie and party animal. We're talkin' Pro Burnouts, Drag Racing, Roll Racing, Cruising, Show'n'Shine, Powerskids, DJs, Bars, Feeds, Kids' Zone, and more.

And don't forget – the first round of the Springmount Drag Championship kicks off right here. You don't wanna miss it.

We owe it all to the crew who keep this monster running, from pit lane legends to car park commandos. If you see a staff member, give 'em a nod or a thanks – they're here to keep you safe and make sure your weekend's a ripper.

**Northern Nats 9 – It's a full-send weekend. Let's go!**

## GOOD VIBES ONLY – KNOW BEFORE YOU GO

Car festivals are a social occasion, but to help keep things fun and safe for everyone, we've made a small change this year — no BYO alcohol, including in the campsites. But don't worry, we're still all about good times with a cold one in hand. We've got two fully-stocked bars onsite, ready to go all weekend with icy cold drinks, tunes, and all the vibes you're chasing. So leave the tinnies at home, pull up with your crew, and get ready for one hell of a weekend at Northern Nats 9!

Pets aren't allowed on site (including camping areas), so please leave your furry friends at home — registered assistance dogs are welcome.

**Heads up!** There won't be any ATMs at Northern Nats. Most vendors will have EFTPOS, but with phone reception a bit hit-and-miss, we definitely recommend bringing some cash so you're ready to roll all weekend!
